Fee Policy – Reviewed July 2024

Fees will be invoiced in advance monthly. All outstanding balances must be settled by the last working day of each month. There is a grace period of 7 days after the end of the month. The fee is a **yearly** amount paid over 11 months. Therefore, any school days that are missed during the year, for any reason, will not constitute a refund.

A re-enrolment fee of R400 will be required by the 30th of November for the following academic year.

All foreign students who are not fluent in speaking English will pay an additional R300 per month for the first year of schooling. Fees paid in (Maloti) will incur a 2.5% interest charge.

A second child in the school will receive a 10% discount and any child there after a 15% discount per child.

❖ Failure to Pay:

First action – If payment is not received by the 7th of the following month:

- 3% interest will be charged to the outstanding balance

Second action – After 60 days:

- you will be given one months' notice in writing to find alternative schooling for your child.
- After 90 days, your account will be handed over to an attorney for collection.

Should a parent wish to remove his/her child for other reasons, **one month's** notice must be given to the school in writing. Failure to do so will result in King's School invoicing the parent for the amount that is equivalent to one month's fees.

❖ High risk accounts:

All parents who do not comply with keeping their accounts current, will have to pay **each terms fee** in advance (for a period of one year), on or before the first day of each term for your child to receive tuition for that term.
